

FBC ASEAN 2024

Invitation to Exhibitor

2 May 2024

Business matching event for manufacturing and manufacturing-related companies to promote their businesses and products to establish connections with mainly Japanese companies as well as local companies in Thailand and Vietnam. Pre-matching between exhibitors and between exhibitors and visitors, producing high-quality business meetings, with about half of them turning out to be profitable. Since COVID-19, we have launched online business meetings and are holding a hybrid format that combines both online exhibitions and physical exhibitions.

[Strong points]

- Online business meetings with local companies (exhibitors, visitors) in Thailand, Vietnam, China, etc.
- Major buyers, Parts trading companies in Japan that aim to procure from ASEAN, etc.
- Support both online and offline needs
- Pre-scheduled meeting (registered visitors can also apply)
- Many local companies participate in collaboration with government agencies and industry associations.

[Exhibitors] Mainly for B-to-B companies

◆ **Manufacturing company** :

Manufacturing companies aiming to procure parts or expand the market / Metal products, Automotive, Railway, Ship-related products, Steel industry, Non-ferrous metals, General machinery/equipment, Electrical machinery/equipment, Information & communication equipment, Electronic components/devices, Precision machinery/equipment, Chemical industry, Plastic/rubber products, etc.

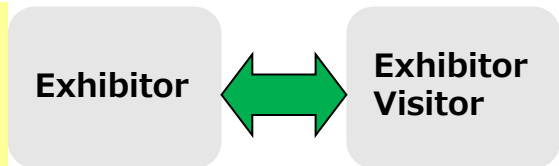

◆ **Non-manufacturing (Solution company)** :

Non-manufacturing companies that provide services and products to manufacturing companies, Trading companies, IT (software development) human resources, logistics, industrial parks, etc.

【Pre-scheduled meeting】

The advantages of this business meeting is that exhibitors and visitors can be matched in advance on the website, allowing for efficient business meetings during the exhibition period.

- 1 business meeting (slot) : 30 minutes (with 15-minute break)
- 1 day : 10 business meeting slots
- Up to a maximum of 60 slots for the duration of the event (if you participate in offline matching 3 days , Online matching 3 days).

Business matching on the website

※The system to be used and the number of slots varies depending on the venue.

<p>Step① Register information on the official website</p> <p>Each exhibitor will register the product information, photos, etc.</p>	<p>Step② Matching on the official website</p> <p>Through the website, you can request business meetings with companies that interest you based on their registered products</p>	<p>Step③ Confirm the meeting schedule</p> <p>The business meeting will be added in the schedule when you receive a response from the company you applied to in step ②. The largest online business meeting for the manufacturing industry in ASEAN ! With over 300 participating companies in 2023, attracting buyers from all over the world who are considering procurement from ASEAN. Even with online business meetings, We have achieved over 600 meetings because exhibitors can apply for the online business meetings in advance. Cross-border business meetings centered on 「Thai ⇔ Vietnam」 「Japan ⇔ Thai」 「Japan ⇔ Vietnam」 can be conducted with ease. Even during the period when online business meetings are being held, exhibitors are still able to do business as usual during regular business hours when there are no business meetings.

300 companies mainly from Thailand and Vietnam, as well as Japan, China and other ASEAN countries.

600 meetings held.
